- Print photos in multiple sizes directly from your iPhone, iPad, iPod touch, or BLACKBERRY⁴ device with the KODAK Pic Flick App
- Use the find photos sort feature to easily find and view your pictures on your memory card by month, day, or year via the printer LCD
- View and print photos without a computer using the 1.5" color display and media card slot — supports SD, MMC, and MEMORY STICK
- Perfect Page technology⁵ — improves the quality of your scanned document even when your original is less than perfect

Easy, wireless printing¹

1.5" LCD screen

Memory card reader

Automatically optimizes printer settings

Lab-quality photos last a lifetime³

1) Wi-Fi connection distances up to 300 ft. Performance depends on physical environment and distances from access point. 2) As compared to leading consumer inkjet printers using manufacturers' recommended standard ink cartridges available in single-quantity pricing (i.e., no multi-packs, high capacity, combo packs, value packs or special promotions); excludes printers that use only one cartridge. 3) Under all common consumer display and storage environments. Based on testing by Wilhelm Imaging Research (WIR). 4) Compatible with iPhone (iOS 3.0 or later), iPad, iPod touch (2nd generation or later), and Wi-Fi enabled BLACKBERRY devices with OS 4.5 or later. Printer and device must be connected to the same local area network.
